Before You Start

- Read each step carefully before starting.It is very important to ensure each step followed in correct order. otherwise assembly difficulties may occur.
- Most of parts are labeled or stamped on the raw edges. Have a check to make sure all parts are included .
- Work in a spacious area.preferably on a carpet close to where the unit will be used.
- Keep the handtools close at hand,Do not use power tools to assemble your furniture,They may scratch or damage the parts.
